ORDER :

The new Capital of Andhra Pradesh, Amravati is envisioned to be an inclusive people's capital which is economically vibrant and self-sustaining, equipped with world-class social and physical infrastructure to create unparalleled opportunities. Amravati will be the largest Greenfield smart city in India, with planned investments of more than ~\$6 billion over 10 years. Spread across 217 square kilometers. The capital was founded with the overwhelming support of more than 24,000 farmers who participated in the largest-ever consensual land-pooling initiative. Land parcels totaling up to around 33,500 acres have already been pooled and additional land of around 1500 acres will be pooled/acquired by the end of November 2017. Amravati will meet world-class standards of livability, inclusive growth, economic opportunities and environmental sustainability.

2. In order to implement this vision to make the capital city a vibrant economic hub, Amravati is proposed as a national hub for high-value non-polluting manufacturing and services sectors. Given the ambitious scale of the vision, it is imperative that Amravati actively encourages and incentivizes such job creators to establish presence here. Education and Healthcare are two sectors which have a dual-benefit of not only triggering direct jobs and population growth but also attracting other industries by providing a local talent pool and families by providing high quality social infrastructure and livability. Besides this, it is also to develop the Government to have presence of Central & State Governments /Organizations/Institutions in the Capital.

3. In the reference 1st read above, Government have constituted Group of Ministers (GoM) to examine the proposals of allocation of land to various Organizations /Institutions in CRDA region.

4. In the references 2nd read above, Government while enclosing the land allotment proposals received from various Organisations/Institutions, have requested the Commissioner, Andhra Pradesh Capital Region Development Authority, Vijayawada, to include them in the Agenda of the ensuing Group of Ministers (GoM) Meeting. Accordingly, the proposals were placed before the Group of Ministers (GoM) for their recommendations. GoM have furnished their recommendations on 24.10.2018.
