NOTIFICATION

In exercise of the powers conferred by clause (f) of sub-section (2) of section 18 of Andhra Pradesh Capital Region Development Authority Act, 2014 [Act 11 of 2014], the Government of Andhra Pradesh hereby make the following rules, namely, "Andhra Pradesh Capital City Land Pooling Scheme (Formulation and Implementation) Rules, 2015".

RULES

- 1. Introduction.** In keeping with the will of the Government to build 'people's capital', land procurement mechanism has been designed to be voluntary and based on consensual process of land pooling. Land pooling mechanism is mainly adopted for development of the capital city area wherein the land parcels owned by individuals or group of owners are legally consolidated by transfer of ownership rights to the Authority, which later transfers the ownership of a part of the land back to the land owners for undertaking of development for such areas. These rules are applicable to the capital city area for which zonal plans have been approved. The broad objective of the scheme is to do justice to the families affected by the construction of a livable and sustainable capital city for the state of Andhra Pradesh by making the land owners and local residents as partners in development.
- 2. Short title.** These rules may be called as 'Andhra Pradesh Capital City Land Pooling Scheme (Formulation and Implementation) Rules 2015'.
- 3. Definitions.** (1) In these rules, unless the context otherwise requires:--
 - (a) 'Act' means the Andhra Pradesh Capital Region Development Authority Act, 2014;
 - (b) 'Authority' means the Capital Region Development Authority constituted under sub-section (1) of section 4 of the Act;
 - (c) 'government' means the State Government of Andhra Pradesh;
 - (d) 'peri-urban' means an area immediately surrounding a urban local body.

Contd...4

- (e) 'public & semi public' means area set apart for developing social infrastructure as per the standards and norms laid down in the master plan or any other area development plan;
- (f) 'commercial' means area set apart for developing commercial space to undertake commercial activity as per the standards and norms laid down in the master plan or any other area development plan;
- (g) 'residential' means area set apart for developing residential space as per the standards and norms laid down in the master plan or any other area development plan;
- (h) 'website' in the context of Land Pooling refers to official website of the Authority; and
- (i) Words and expressions used but not defined in these rules shall have meanings assigned to them in the Act.

4. Applicability. These rules shall be applicable to the entire area notified as 'capital city' under sub-section (3) of section 3 of the Andhra Pradesh Capital Region Development Authority Act, 2014.

5. General. (1) The Authority may undertake to develop a land pooling scheme pursuant to the notification issued under sub-section (5) of section 43 of the Act.

(2) The Authority shall guarantee the return of reconstituted land and payment of benefits to the land owners per every acre of original land surrendered under the land pooling scheme as follows:

Land (1)	Category (2)	
	Dry	Jareebu
Patta		
Residential	1000 Sq.Yds	1000 Sq.Yds
Commercial	200 Sq.Yds	300 Sq.Yds
Assigned		
Residential	800 Sq.Yds	800 Sq.Yds
Commercial	100 Sq.Yds	200 Sq.Yds
Yearly payment for 10 years (Rs)	30000	50000
Yearly increase (Rs)	3000	5000
One time additional payment for gardens like lime/sapota/guava (Rs)	50000	

(3) The Government shall provide pension of two thousand five hundred rupees per month per family for a period of ten years to all landless families through a capital region social security fund.

(4) The Government shall also provide all the benefits to the affected families as listed in clause 1 of Schedule III.

(5) The Government shall bring out guidelines for any other laws sufficed by land owners and other affected families in the process of implementation of Land Pooling Scheme. Guidelines may include compensation given to structures in areas other than gramakhantam for standing annual crops.

Contd...5

- (6) The plans made under land pooling scheme shall be in accordance with the plans sanctioned under Chapter VII of the Act.
- (7) The land use of the land taken up under LPS shall automatically stand changed to the land use proposed under the LPS provided the land use for such lands in the approved master plan is earmarked for peri-urban use, conservation use, agriculture use or any other non-conflicting use. However, such automatic change of land use under LPS shall not apply in cases where the approved master plan reserved the land for prohibited uses such as bio-conservation, water bodies, buffer zone and forest.
- (8) The Authority where it warrants, duly recording reasons therefor, has the right to merge, split, alter, or revise one or more or all the components of the land pooling scheme and implement accordingly.
- (9) The lands proposed in land pooling scheme shall be contiguous and approachable by an existing public road.
- (10) The Authority in the overall interest of the development of the area and for the reasons specifically mentioned may take up the realignment of road network which was proposed in the sanctioned plans, if the said realignment is within the scheme area.
- (11) The provisions, content, infrastructure and amenities to be provided, and cost of the land pooling scheme shall be as provided under sections Chapter VIII of the Act.
- (12) The Authority may itself undertake the whole or part of the process related to the preparation and implementation of the LPS or may delegate the function to any officer or local body or Competent Authority for Land Pooling appointed by Government.
- (13) The Authority may develop the secured land either on its own or in partnership with reputed agencies selected by following the prescribed procedure, which is fair and transparent.
- (14) Development of the share of land meant for reconstituted plots to the land owners shall be taken up on priority.
- (15) The details of objectives, process, roles and responsibilities under the LPS shall be as provided in the Schedules I to IV to these rules.

6. Declaration of intention. (1) Upon the requisition by Commissioner, the Government may appoint any officer not below the rank of a deputy collector as Competent Authority for Land Pooling under the functional and administrative control of the District Collector. Both the District Collector and the Competent Authority for Land Pooling shall periodically report the progress of the land pooling to the Authority and seek guidance for effective pooling together of various land parcels.

(2) Pursuant to the notification issued under sub-section (5) of section 43 of the Act, the Competent Authority within **fifteen days** from the date of such notification by the government (hereafter referred to as the 'Declaration of Intention') shall issue a notice in Form 9.1:

- (i) inviting objections and suggestions on the proposed LPS by receiving objections and suggestions in Form 9.2 from the land owners within **thirty days** from the date of publication;

Contd...6

(ii) inviting participation of land owners in the proposed LPS by receiving consent applications in Form 9.3 from the land owners; and

(iii) specifying the dates of conduct of stakeholder consultations (not earlier than **7 days** from the date of publication) in order to explain the details of the scheme.

(3) The notice shall contain the details of the broad objectives of the scheme, process of the scheme, role and responsibility of the Authority, role of the land owners, area, extent, schedule of boundaries, survey numbers and ownership details available in revenue records, extent of the land reserved under sub-section 1(e) and (f) of section 53 of the Act, the compensation package provided to the land owners/landless families, and other salient features; and shall be published in the following manner:

(i) in the District Gazette;

(ii) in two daily newspapers circulating in the locality of such area of which one shall be in Telugu;

(iii) in Telugu in the Gram Panchayat, Municipality or Municipal Corporation, as the case may be and in the offices of the District Collector, the Revenue Divisional Officer, the Tehsildar, the District Registrar and Sub-registrar in the scheme area; and

(iv) on the website of Municipal Administration and Urban Development Department and Capital Region Development Authority.

(4) The notice shall also state that a copy of the plan of the proposed area is kept open for inspection of the land owners including the public at the office of the local body concerned, Competent Authority for Land Pooling during office hours and also in the website.

7. Notification of final area. (1) All the objections and suggestions received pursuant to rule 6 (2) (i) and any request for modifying the extent of the scheme area shall be examined in detail, considered and disposed off by the Competent Authority within fifteen days. All the disposals shall be prepared in the Form 9.4.

(2) After approval of the details and the extent subject to modifications by Government upon consideration of such objections and suggestions, the Competent Authority for Land Pooling shall within **fifteen days** of the date of approval by the Authority notify the finalized area for the preparation of draft LPS in Form 9.5 in the manner as provided at rule 6(3).

8. Procedure for verification of ownership (section 48(1) and section 50 of the Act): (1) On issue of notice under rule 6 (2), individual notices in Form 9.6 shall be sent to all the land owners pursuant to rule 6 (2) (ii) in accordance with procedure laid down under section 133 of the Act, informing them to submit applications along with the land ownership records, tenure details and any other details required, within a period of **thirty days**, for participation in LPS and for filing objections relating to ownership.

(2) The Competent Authority for Land Pooling may receive applications and issue an official receipt in Form 9.7 from the willing land owners to participate in the notified LPS.

Contd...7

- (3) Within **seven days** from the last date for receipt of applications from the willing land owners, verification of the title of the land owners covered under the LPS shall be done with reference to the Revenue records, Registration documents and such other documents, and/or local enquiry and a list of such land owners shall be published in Form 9.8, in the local area and website, calling for objections from the persons interested within a time period of **fifteen days** from the date of such publications.
- (4) Within **fifteen days** from the last date of filing of objections from willing land owners, in case of Government lands / assigned lands / endowment lands / wakf lands/ bhoodan lands or such other categories of lands, a field verification or verification of land records and certification of the occupancy / veracity of ownership / claim of the applicant shall be conducted by the Competent Authority for Land Pooling himself or upon his requisition in Form 9.9 by the collector.
- (5) Within **fifteen days** from the last date of filing objections from willing land owners, the Competent Authority for Land Pooling or his officers after receiving all objections in writing verify the veracity of the claims on ownership of all the persons interested, conduct due enquiries as required for ascertaining the true owner/owners for each parcel of land and apportionment if any and pass such orders recording the reasons for accepting or otherwise, of the applications. Such order shall be issued in Form 9.10 under the revenue seal and signature of the Competent Authority.
- (6) The Competent Authority for Land Pooling shall identify the list of land owners and the lands who have not given consent under land pooling scheme and submit a report to the Commissioner with full details in Form 9.11.
- (7) The Competent Authority for Land Pooling shall by order in Form 9.12 determine the extent of the reconstituted plot for each land owner in lieu of the land contributed by the land owners for Land Pooling Scheme as per the norms given in rule 5.
- (8) As soon as the ownership is established, Competent Authority for Land Pooling shall report the list of land owners and such other details in Form 9.13 to the Commissioner and thereupon the Competent Authority shall enter into an **agreement** in Form 9.14, to firm up the irrevocable powers of Authority to alter the boundaries, develop and make requisite changes in the land pool area.
- (9) Such cases where disputes with regard to land ownership remain unresolved shall be referred to a Court of competent jurisdiction and such referral shall not act as a bar for including the land under the land pooling scheme.
- 9. Draft LPS.** (1) As soon as may be, after the notification of intention to make the LPS, the Commissioner shall complete the preparation of the draft LPS within **180 days** in consultation with land owners. The lands falling under acquisition within Land Acquisition, Rehabilitation and Resettlement Act, 2013 shall also be included while preparing draft LPS.
- (2) Preparation of draft LPS requires preparation of Final Base Map in the following manner -
- (a) collection of all the revenue village maps,

Contd...8

- (b) collection of adangal details,
 - (c) digitizing the maps,
 - (d) preparation of a Preliminary Base Map, and
 - (e) conduct of Electronic Total Station (ETS) survey of LPS Area, in the presence of a representative from the Revenue Department informed through a notice in Form 9.15, for identification of field boundaries. For the purpose of the survey of the area, the land owner or occupier shall also be informed giving twenty four hours notice in writing in Form 9.16 informing him to be present during the survey of his land.
 - (f) overlay of the Preliminary Base Map on the total station survey drawing to obtain the area under possession and prepare the Final Base Map, Area Statements and Ownership Status in the LPS Area.
- (3) Competent Authority shall certify both the area statement and the Final Base map, and prepare a final list of land owners duly taking technical support from planning wing of the Authority and Assistant Director Survey & Land Records Form 9.17.
- (4) The entire land pooling area shall be divided into sectors and the reservation and allotment of land for various purposes shall be in accordance with section 38 and section 53 of the Act.
- (5) The draft LPS shall contain the details specified under section 45 of the Act as well as the cost of LPS prepared in accordance with section 47 of the Act. The LPS inter alia shall contain a detailed narration on due diligence of the proposal, including cost-benefit analysis, modalities of maintenance, cost of maintenance, user charges, recovery schedule and risk analysis. It shall among other things contain:
- (a) An explanatory note explaining the salient features of proposed development, in particular, the sources of drinking water supply, arrangements and sites for disposal and treatment of storm and sewage water, rain water harvesting, solid waste management, water recycling etc.
 - (b) A guide map on a scale of not less than 1:10,000 showing the location of the neighborhood areas to be developed in relation to surrounding geographical features to enable the identification of the land.
 - (c) A survey plan of the land under the proposed Land Pooling on a scale of 1 : 1000 showing the spot levels at a distance of 30 meters and where necessary, contour plan. The survey will also show the boundaries and dimensions of the said land, the location of streets, buildings and premises within a distance of at least 30 meters of the said land and existing means of access to it from existing roads.
 - (d) Layout plan on a scale of 1: 1000 showing the existing and proposed means of access, the width of roads and streets, sizes and type of plots, sites reserved for open space, community facilities, with area under each and proposed building lines, Landscape Plan and Transportation / Parking Plan shall also be prepared and submitted along with the layout plan.
 - (e) Cross section plans of the proposed roads indicating, in particular the width of the proposed drainage ways, sewerage lines, utility ducts, cycle tracks and footpaths, green areas, position of electric poles and any other works connected with such roads.

Contd...9

- (f) Services plans indicating the position of sewers, storm water channels, water supply and any other public health services.
 - (g) Detailed specifications and designs for sewerage, storm water and water supply systems and their disposal systems with estimated cost of each.
 - (h) Detailed specification and designs for electric supply including street lighting.
- (6) The reconstitution of land shall be done as follows.
- (a) The reconstituted plots will be obtained by reconstituting the original lands by alteration of its boundaries and by the transfer of any adjoining lands if necessary;
 - (b) The reconstituted plot may lie in any sector of the LPS area;
 - (c) In order to allocate the land under subsection 1(e) and (f) of section 53 of the Act, it is necessary to indicate the sectors with the name and number of the plots, roads and the developed reconstituted plots which shall be allotted to the land owners and that of the sectors to be retained for the capital city development. Depending on the nature and requirement of development, the Draft LPS shall show this allotted land for the sectors of capital city development or for residential or commercial or public or semipublic or any other purposes as approved by the Authority.
 - (d) The size and shape of every reconstituted developed plot shall be determined, so far as may be, to render it suitable for development and complying with the provisions of the scheme.
 - (e) In order to satisfy the requirement of accommodating various sizes of original land ownerships depending on the eligibility, it is necessary to prepare the draft LPS with various categories of plot sizes within the provisions of the layout and building regulations and to satisfy the proportionate sizes depending on the ownership of the original land.
 - (f) The proportion and extent of eligibility for each land owner shall be determined at the time of the draft LPS itself. 'Original Plot Area' in the context of Land Pooling means the parcel of land vesting with the owner as per revenue records or in physical possession as on the day of declaration/application for LPS, whichever is less.
 - (g) Prior to notification of draft LPS, two or more participating land owners may request in Form 9.18 for joint allotment of reconstituted plot/land as a common reconstituted plot.
 - (h) Prior to notification of draft LPS, a land owner may request in Form 9.18 for allotment of a common reconstituted plot for two or more original plots belonging to the land owner.
- (7) Consultations under sub-section (1) of section 56 shall be held by the Competent Authority with land owners relating to provisions made under section 44 of the Act and such consultations shall be recorded in writing and signed by the Competent Authority on behalf of the Authority in Form 9.19.
- (8) After the preparation of the detailed draft LPS in full shape the same shall be placed before the Authority for approval.

Contd...10

10. Final LPS. (1) After the approval of the Draft LPS, the Competent Authority shall publish it in Form 9.20 calling for objections or suggestions from the land owners giving a time period of **thirty days** from the date of such notice, in the manner specified in rule 6(3).

(2) Any person affected by the said draft LPS may submit objections or suggestions of the LPS in Form 9.21 and the Competent Authority shall consider the same and propose modifications to the Scheme if required.

(3) Within a period of **thirty days** from the last date of filing objections to the draft LPS a decision shall be taken by the Authority.

(4) Upon approval, the draft LPS becomes the Final LPS and the Competent Authority shall publish it in Form 9.22 within **fifteen days** of approval, in the manner stated under rule 6(3). Competent Authority for Land Pooling shall thereafter take over possession of the land from the owner/owners in Form 9.23, which shall thereupon vest absolutely in the Authority free from all encumbrances.

11. Vesting of land in Authority and issue of Land pooling ownership certificate. (1) After notification of the final LPS, all the lands for the purposes of laying of roads, drainage, lighting, water supply and other utilities mentioned in sub-sections (4) to (8) of section 44 as well as the notified area shall vest absolutely in the Authority free from all encumbrances under sub-section (2) of section 57, and the Commissioner may summarily evict illegal occupants and enforce the scheme.

(2) Within **sixty days** from the date of notification of final LPS, physical marking of road pattern and land earmarked for reconstitution of plots/land shall be done.

(3) Within **thirty days** from the date of physical marking, the allotment of reconstituted plots shall be done by draw of lots in an objective and transparent manner with due publicity under video cover while ensuring the presence of not less than one third of the total number of land owners at the time of draw of lots.

(4) Within **thirty days** of drawal of lots, the Competent Authority shall issue a **Land Pooling Ownership Certificate [LPOC]** in Form 9.24 which shall be the final proof of the holder's title to that land and thereafter cause entry of such ownership details into the records of the registration department without any cost to the land owner. The LPOC contain details of the land owner's original land and that of the reconstituted plot, including its original ownership details, along with a sketch of the reconstituted plots with schedule of boundaries to each land owner shall be given duly taking prior approval of the Commissioner.

(5) After notification of the Final LPS, the Authority shall submit the entire sanctioned LPS documents to the District Collector for updating and mutation of land records; new land records will be prepared and issued to the reconstituted plot owners and the old records shall cease to exist.

(6) The details of the LPOCs and parcels of land contributed by the land owners for LPS shall be made available on the website in Form 9.25.

- (7) The copies of the documents, plans and maps relating to the Final LPS shall be sent to the Stamps and Registration department as well as Mandal Revenue Office, where such copies shall be kept and made accessible to the public.

12. Implementation of final LPS. (1) After the notification of the Final LPS:

- (a) the Authority shall take over all lands reserved for the parks, play grounds and open spaces, roads, social amenities and affordable housing which are deemed to be handed over to the Authority and enter the details in Form 9.26 in separate registers pertaining to each category.
- (b) the Authority shall take over all lands allotted to it and shall enter the details of all such lands in Form 9.27 register.
- (2) The notified Final LPS is a deemed layout development permission by the Authority valid for a period of three years. The land owners may apply for the development permission and the Commissioner shall accord approval for such cases expeditiously.
- (3) Within one year from the date of notification of final LPS, the Authority shall complete the basic formation of roads and physical demarcation of plots in the Final LPS.
- (4) Within twelve months of the date of notification of final LPS, the Authority shall handover physical possession of reconstituted plots in Form 9.28 to the land owners.
- (5) The Commissioner shall ensure that LPOCs granted under section 51 and sub-section (4) of section 57 of the Act are in accordance with the provisions of the Registration Act, 1908 without charging registration fee from the land owners.
- (6) Within three years from the date of final LPS the Authority shall develop the infrastructure in a phased manner.

13. Completion of final LPS. (1) Within a period of **thirty days** from the date of completion of development of infrastructure, the Commissioner shall publish a notice of Completion of the Final LPS in Form 9.29, duly furnishing the details of completion of the works along with the necessary infrastructure plans.

- (2) The Commissioner shall also publish in Form 9.30, the details of reconstituted plots with in **thirty days** after mutations are carried out in land records.
- (3) On verification of the above details, the Commissioner shall issue the Completion Certificate in Form 9.31 along with layout of Final LPS.
- (4) The owners shall be responsible for the following, namely,
- (a) all the required infrastructure within the Final Plot;
 - (b) obtaining all 'No Objection Certificates' required for the development of the reconstituted plot and following the prevailing Development Promotion Regulations and Building Regulations / Rules depending on the type of development proposed; and
 - (c) payment of necessary fees and charges as per the rules for the sanction of development permission.

Contd...12

14. Maintenance of the common infrastructure & facilities after issue of completion certificate. (1) Reconstituted plot owners and any other purchaser of the reconstituted plot shall have to pay for the usage, consumption and maintenance charges levied by the agencies responsible for the common infrastructure and respective services including roads, street lighting, solid waste management, sewerage treatment facility, water supply, parks and play grounds or such other amenities.

(2) The Commissioner either on his own or by authorizing a local body, elected Residential Welfare Association or any other agency to maintain the infrastructure and amenities in the LPS area by collecting the necessary user charges for such maintenance.

15. Powers of Competent Authority. (1) The Competent Authority for Land Pooling or his officers shall be competent to enter and conduct land survey, under the relevant rules and establish the true area falling under the land pooling or to confirm true area of the claim of person/persons interested and ascertain the original plot area or the apportionment of land, wherever required.

(2) The Competent Authority for Land Pooling or his officers shall have the powers to ascertain the owners / resolve the disputed ownership from the subsisting revenue acts and laws such as:

- (i) To summon and examine the witnesses (Form 9.32) or the records, verify and confirm the ownership of the applicants.
- (ii) To conduct due enquires to apportion the respective claims among the multiple persons interested for a parcel of land.
- (iii) To pass orders in Form 9.10 duly establishing the owner of the land under land pooling scheme.

16. Miscellaneous. (1) The Authority's decision shall be final in all matters relating to LPS.

- (2) The Authority, for the purposes of effective preparation and implementation of the LPS, may delegate powers to the extent required to the officers of the Authority.
- (3) The Commissioner may extend time limits for any of the activities mentioned under these rules in respect of any village for valid reasons.
- (4) Competent Authority for Land Pooling shall act as the grievance redressal officer at any stage and decision of the committee in this regard shall be final.
- (5) The Government may modify any of the forms appended to these rules with the purpose of bringing clarity.
