- Only those unapproved layouts and sub-division of plots with registered sale deed/title deed as a plot prior to 31.08.2019 shall be considered for Regularisation.

- Regularisation of unapproved layout framework will not automatically Regularise the individual plot in the layout. The individual plot owner/promoter (in the case of unsold plots) shall apply for Regularisation of his/her plot/plots separately under LRS 2020.
- After approval of IN Principle layout pattern, if the sanctioning authority noticed that the layout owner/Developer having unsold plots, 14% of unsold area (as on 31.08.2019) towards Open space in the layout shall be handover to local body through registered gift deed at appropriate location as suggested by the ULB/DA. In such case, revised In Principle layout pattern plan shall be obtained from Competent Authority.
- Approval of In Principle Layout pattern doesn't mean any unauthorised building in the plot is regularised
- 14% open space earmarked in the In principle layout pattern shall be treated as deemed to be handed over to concerned local body
- The plots are shown in the layout as per the information available, necessary correction may be made in future by the competent authority if applied with Documentary evidence.
- The alignment of water bodies shall not be disturbed and shall maintain as per the revenue and Irrigation records. If any plot is affected in water course/buffer zone the Regularisation shall become invalid.
- The sanctioning authority shall ensure that the layout developer/owner shall hand over openspace to the Local Body through registered gift deed before considering regularisation of unsold plots . For Plots sold out before cutoff date, can be considered for regularisation even before handing over of open space earmarked in the plan.
